

Poplar Grove

PLANTATION

Poplar Grove is currently recruiting volunteers, 18 and older, who support our mission of promoting the spirit of the Lower Cape Fear Region through conservation, education and preservation, reflecting upon the practices of a self-sustaining farm, slavery, tenant farming, legislation, technology, and the heritage arts.

Junior Volunteers (12-17) must present a separate application along with a parent application to volunteer. If presented with an opportunity to work in The Stables, volunteers between the ages of 12-14 must volunteer with a parent or guardian present.

All potential volunteers must submit a completed application and attend a Volunteer Orientation prior to placement. We also require that all volunteers participate in position-specific training as part of their volunteer/work experience.

If you support our mission and are willing to put forth the time to be trained, we encourage you to complete this application. The information submitted on this form will help us find the most satisfying, rewarding, and appropriate position for you.
