# Become a *Poplar Grove* Gardening or Carpentry & Grounds Club Volunteer!

## Become Part of a Community!

### Gardening

Are you a community-minded individual that enjoys meeting others?

Would you like to sharpen your basic gardening skills, or share your back yard experiences & knowledge with others?

You may want to consider joining our new Poplar Grove Gardening Club and play a part in making a positive difference in our Community!

Some of the team activities include garden design, planting, pruning, and weeding.

### Carpentry & Grounds

We also have a Grounds Team who is also looking for additional volunteers to assist with conservation efforts, primarily creating & maintaining irrigation systems, seeding, fertilizing, and mowing, fence repair & painting.

### Who Can Join?

Regardless of your experience, everyone over the age of 15 is welcome.

### When Do You Meet?

We plan to meet the first and third Tuesday of each month from 9:00 – 11:00 AM, starting April 20, 2021.

### Where Do You Meet?

We meet at the Buggy Shed between the Herb Garden and Basket Gallery on the north side of the property. You can park in the Abbey Nature Preserve parking area for direct access.

### Who to Contact?

To register or to receive additional information, email MARY BLINKOFF, Poplar Grove artist-in-residence.

When sending email, please specify which team you prefer: *Gardening*, or *Carpentry & Grounds*, or *both*!

## SAFETY PRECAUTIONS

*Although these have been difficult times, we are looking forward to having fun outside on the grounds while respecting one another by wearing a mask when appropriate and socially distancing.*

*Please wear closed-toe shoes to protect from fire ants, and be prepared for all things attracted to flora that may sting!*
